Suppliers of quality agricultural seedlings

Growing Medium Prices September 2023 – March 2024

- Please note Growing medium is sold per bag and can be ordered in bulk and needs to be ordered 2 days in advance.
 - Our bags contain roughly 50L – 75L of growing medium per bags.
 - Our compost contains recycled seedling mixes and is sieved.
 - This is a nutrient enriched product and ideal for just about anything.

All prices are inclusive of VAT.
